Important Library Notice on Book Returns

All students' books must be returned to the library by **May 9th** as we wind down the school year. Notices have been placed in your child's Thursday folder if our records indicate a book is checked out to them. In some instances, the notice was handed directly to the student.

Lost or damaged books may be paid for by **May 9th**, to clear your student's account. Books that are not received or paid for by that date will be marked in our system as lost and the cost of the book will be posted to your students Jeffco account for payment.

Getting our books back as soon as possible helps us to prepare the library for the next school year. Your help in this effort is appreciated.

Thank You!

Ms. Lynne
