

Ready to make some new friends and amaze your parents with your brain power?

Join Chess Wizards this school year for challenging chess lessons, exciting tournaments, fun team activities and more! If you're brand new to the game, we'll teach you the basics and get you playing with the big kids in no time. If you're a seasoned checkmate artist, we'll show you new ways to let your creativity loose on and off the chess board.

Chess Wizards is one of the largest chess academies in the nation. Every year since 2002, our interactive, discovery-based curriculum inspires thousands of students and parents to challenge themselves through the Game of Kings (and Queens!). More than just a game of winning and losing, we challenge our students to think ahead, visualize their goals, to treat others with respect and to learn from their mistakes. Studies have shown that chess enhances cognitive development, improves scholastic performance and boosts confidence... plus it's a game kids can enjoy their whole lives!
