

Why play one sport when you can play them all?? JB Sports is an internationally acclaimed physical education program that utilizes a non-competitive sports and fitness curriculum to develop important skills such as self-confidence, agility, speed, muscle development, and teamwork. Our custom-built program for school-agers will enhance your child's physical fitness as well as cognitive development. In every class your child will be led through dynamic stretches, cardiovascular warm-ups, be introduced to the fundamentals of a different sport or fitness game, then finish with a relaxing cool down. It's the ideal way for your child to expend their energy! Come see what being fit and having fun is all about!

**Wednesdays Aug 28th–Oct 30<sup>th</sup> from 2:15pm-3:15pm**  
**Tuition: \$150 for a 10wk Session**
