Middle School Field Trips

Our Middle School students have been busy learning outside of the classroom with two field trips. Last week, students stayed at Snow Mountain Ranch for three days. They participated...
CARLINE REMINDERS

- While in carline, for safety and efficiency, all adults should remain in the car. Staff is available to assist Primary students. Elementary students open their own car door, get out safely, walk to the crosswalk and wait for the stop sign before crossing to the sidewalk.

- When in the lane closest to the building, please follow directions from staff members and pull up past the crosswalk as far as possible before stopping and letting students out. Stopping at the bottom of the parking lot to drop students backs up traffic and delays other families.

By Request Conferences, No Clubs

There are no clubs and enrichment activities during conference week, February 10th - 13th. February conferences are by request and not required. If you would like to meet with your child's teacher, please consult their classroom newsletter to sign up.

Clubs and After School Enrichment

Enrollment for Session 3 for after school clubs and enrichment programs opens Tuesday, February 18th. A list of options is available on our website. Watch Thursday folders on February 13th and the Fox Flash on February 19th for more information.

2020 Census

The 2020 Census is coming! Want more information? Check out this flyer for more information >
FROM THE BOARD

The Board of Directors will have 3 open seats during this year's election in April. These seats can be filled by FHM parents/guardians or qualified people from the external community. The Board sets the strategic goals of the school, as well as oversees the employment of the principal, the facility needs, and the school's finances. The Board would like anyone interested in running for a seat to submit a letter of interest to lcernick.fhmboard@gmail.com by February 19th and to attend the February or March Board Meeting.

Curious about what we do? Attend a meeting! February 13th and March 12th at 6:00 p.m.

Meet the Board Spotlight

Lisa Cernick is currently the President of the Board of Directors. She has been a member of the FHM community for 11 years. Her two boys, Mason (9th grade) and Martin (6th grade), attended FHM from preschool until 5th grade. Lisa is continually amazed by the incredible things that happen daily at FHM and is grateful that her children had the opportunity to benefit from this extraordinary learning environment. Lisa enjoys traveling with her family and her favorite place is anywhere warm with a beach.

Dr. John Frost is a chemist and father of two FHM students. In addition to serving on the FHM...
Dr. John Frost is a chemist and father of two FHM students. In addition to serving on the FHM, John actively participates in a variety of community service organizations. As an American Chemical Society-Science Coach, John directly supports the school's science program with grants and science fair mentorship.
