¹ Per district policy JFBA, the choice process is run blind to the content of IEPs or other specialized learning plans. Offers of acceptance for all students are subject to the availability of space, staffing, and program capacity in the requested school. If a student with an IEP receives a conditional offer of acceptance, the school will review the student's IEP to ensure that the requested school has the programming, staff, and facilities available to meet the student's needs as set forth in the IEP. If not, the offer will be rescinded.
