Good Evening Free Horizon Families.

As we all adjust to the changes in our routines and prepare for the upcoming week of remote learning, we want to share a few resource reminders -

1. If you are in need of a device for your student(s) to use for remote learning, please reserve one through this link TONIGHT and plan to pick it up Monday, March 16. Monday is the only day we are able to hand out devices. We recommend all students in kindergarten and above who do not have a device available to borrow one, as it’s better to have one and not need it than to need it and not have it. In order to support efforts to reduce exposure risk, we ask all who come to check out a device to practice Social Distancing to the extent reasonable.

2. Teachers are preparing lessons and will share plans with you on Monday. Students do not have classes or remote learning expectations on Monday.

3. We have put together a Remote Learning page on our website that will contain updates, correspondence, links, and information during this time. Please refer to it for answers to questions and updated information at FreeHorizonMontessori.org.

Please stay healthy and safe. We appreciate your patience and understanding as we go through this unprecedented time.
Jefferson County School District R 1 would like to continue connecting with you via email. If you prefer to be removed from our list, please contact Jefferson County School District R 1 directly. To stop receiving all email messages distributed through our SchoolMessenger service, follow this link and confirm: Unsubscribe

SchoolMessenger is a notification service used by the nation's leading school systems to connect with parents, students and staff through voice, SMS text, email, and social media.
